1.0 INTRODUCTION

The Roman Catholic Diocese of Charlotte is committed to providing a safe environment for everyone in all its churches, schools, ministries and entities. We are especially focused on ensuring the safety and protection of children, young people and vulnerable adults. As spelled out in this policy, the Diocese does not tolerate sexual abuse or misconduct of any kind and is dedicated to preventing such behavior through strict protocols for conduct, screening and training, and we report all allegations of abuse to law enforcement. The diocese also offers support, assistance and referrals to help in healing those who have been victims of abuse by clergy or any other employee or volunteer of the Diocese.

In the implementation of this policy, the Diocese will be guided by the moral teachings and doctrines of the Catholic Church. It will also rely on and comply with all relevant provisions of civil and criminal laws, the Church's *Code of Canon Law*, the *Charter for the Protection of Children and Young People*, the *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons*, and any directives and decrees from authorities of the Holy See such as *Vos Estis Lux Mundi* and *Vademecum on Certain Points of Procedure in Treating Cases of Sexual Abuse of Minors Committed by Clerics*

This revised "Sexual Abuse and Misconduct Policy" supersedes and replaces any prior policy, including the *Policy of the Diocese of Charlotte Concerning Ministry Related Sexual Misconduct by Church Personnel*, revised in 2003, and applies to all personnel as defined in 2.15 We entrust our efforts to the patronage and prayers of Saint Joseph, Guardian of the Redeemer, who, together with the Blessed Virgin Mary, protected their holy child from all manner of harm, nurturing Him with love, fidelity and steadfastness.

The board offers its opinion on credibility to the Bishop of the Diocese of Charlotte and makes recommendations on disciplinary action, pastoral care for victims, and other responses. It periodically evaluates the effectiveness of the Diocese's policies and procedures related to the protection of minors and the handling of allegations and offers advice to the Bishop of the Diocese of Charlotte. The board includes an experienced pastor and people with expertise in sexual abuse issues, counseling, investigation, law and advocacy for children's and victims' rights.

3.0 IMPLEMENTATION AND DISTRIBUTION OF POLICY

- 3.1. This policy shall be binding upon all personnel of the Diocese and its related entities subject to the Bishop of the Diocese of Charlotte, even though some sections may refer to a specific category of personnel. - 3.3. This policy shall be incorporated into all diocesan personnel guidelines.
- 3.4. **Diocesan Clergy and Members of Diocesan Religious Orders**
 - 3.4.1. - 3.5. **Clergy Incardinated in Other Dioceses and Members of External Religious Orders**
 - 3.5.1. All clergy incardinated in other Dioceses and members of external religious orders assigned to or retiring in the Diocese of Charlotte, and engaging in public ministry, must provide documentation from their Local Ordinary or Religious Superior that confirm compliance with all Safe Environment requirements, including a non-expired background check, before engaging in public ministry in the Diocese of Charlotte. The Diocese of Charlotte Ordinary, and/or Safe Environment department, may request annual attestations that ensure continued compliance with the other Diocese's/external religious order's safe environment requirements. In all cases, acknowledgement of the Diocese of Charlotte's policies and code of conduct shall be required on an annual basis.

The required acknowledgment is contained on the last page of this policy.

- 3.10. This policy does not and is not intended to create any contractual obligation, expressed or implied, on the part of the Diocese or those entities subject to the Bishop of the Diocese of Charlotte.

4.0 EDUCATION AND TRAINING

- 4.1 All personnel must receive training in the policies of the Diocese regarding sexual misconduct and the prevention of child sexual abuse. Furthermore, all personnel must receive training in identifying and responding to potential incidents of sexual abuse and misconduct and the code of conduct relevant to them. The training materials to be used will be specified by the Safe Environment Department. - 4.4 Education and resources about child sexual abuse and its prevention shall also be provided to minors in Catholic schools and religious education programs and to their parents. Parents may choose not to have their child(ren) participate in the child protection training in their school or religious education program. In such cases, resources shall be offered to the parents so that they can instruct their child(ren).
- 4.5 All training and educational materials shall be reviewed to ensure that they fully conform to the moral teachings of the Catholic Church. No educational materials may be used that fail to fully conform to the moral teachings of the Catholic Church.

5.0 SCREENING AND BACKGROUND CHECKS

- 5.1 All personnel of the Diocese must be screened for suitability for service. Due to the religious nature of all Diocesan entities, the diocese shall evaluate the suitability of persons applying for employment or volunteer service, and those who have already entered such service, based on the moral teachings of the Catholic Church. The diocese reserves the right to make decisions about employment or volunteer service that will promote the religious principles of the Catholic Church. Failure to submit full and complete information required for a background check, or any false statement made during the screening process, shall constitute grounds for termination of employment, and/or restriction from volunteer service, and being barred from any contact with minors or vulnerable adults in any program or activity of the Diocese, or any other sanction that the diocese deems appropriate.
- 5.2 This screening will be conducted in accordance with the policies of the Diocese and will include a background check (including checks of criminal history and sex offender registry status).
- 5.3 Screening will be conducted at the time of application for service according to policies established by the diocese. The diocese may also periodically conduct an updated screening of personnel. This may occur at any time the diocese deems necessary or appropriate, in accordance with diocesan policies, and/or if the diocese receives information that warrants additional screening, in its sole discretion.
- 5.4 Results of background checks will be evaluated by the diocese to determine if there might be a risk to minors or vulnerable adults. The results of background checks shall be handled according to the policies and procedures established by the diocese and in full conformity with all applicable provisions of state and federal law.
- 5.5 Clergy incardinated in other Dioceses and members of external religious orders assigned to or retiring in the Diocese of Charlotte, and engaging in public ministry, must remain current with the safe environment requirement of a non-expired background check as defined in 3.5.1 and authorized to participate in any public ministry within the Diocese by the ordinary.

6.0 MANDATORY REPORTING OF CHILD SEXUAL ABUSE

- 6.1 If personnel know or should reasonably know that a juvenile has been or is the victim of a violent offense, sexual offense or misdemeanor child abuse under G.S. 14-318.2, they shall:

- a. immediately report the criminal incident to the appropriate law enforcement agency; pursuant to N.C.G.S. § 14-318.6;
 - b. strongly urge the alleged victim (or their parent or guardian) to immediately report the incident to law enforcement; and
 - c. immediately report the incident to the Red Flag Reporting System safely, securely and anonymously 24/7 over the phone by calling 1-888-630-5929 or online at RedFlagReporting.com/RCDOC. If it is not possible for the individual to file a report with the Red Flag Reporting Service, then they shall immediately notify the Safe Environment Department for assistance with entering the allegation with the reporting service at 704-370-3222 or safeenvironment@rcdoc.org.
- 6.2 Full cooperation shall be given by the Diocese and its personnel to any investigation conducted by civil authorities. The Diocese will not interfere in any way with any investigation being conducted by civil authorities.
- 6.3 Church personnel who fail to report as required by North Carolina law or by this policy may face penalties imposed by civil authorities, as well as disciplinary action by the diocese, up to and including termination. All personnel are responsible for compliance with applicable law. Merely reporting incidents to a supervisor is not sufficient if applicable law requires other or additional reporting.
- 6.4 The Diocese of Charlotte reports all allegations of sexual abuse of a minor to local law enforcement. The diocese also notifies its Victim Assistance Coordinator, a licensed counselor who aids the complainant. In addition, the diocese informs its Lay Review Board, an independent advisory group that investigates allegations of abuse and misconduct for possible personnel discipline.
- 6.5 The diocese may suspend any internal investigation of an allegation of child sexual abuse until civil authorities either conclude their investigation or authorize the diocese to proceed with its own investigation.
- 6.6 Neither the absence of complete information nor the lack of consent from the alleged victim, their parent(s) or legal guardian, or the individual providing the information shall impede or delay the prompt reporting of any allegation of abuse to the appropriate civil authorities.
- 6.7 Reports made pursuant to this policy, and their investigation shall be kept confidential to the extent possible, consistent with the need to conduct an appropriate investigation and with reporting procedures set forth in this policy. Disclosure of such reports to individuals not involved in the investigation may result in discipline, up to and including termination of the violator's position in the Church.

- 6.8 Nothing in this policy shall require or permit a priest to violate the priest/penitent relationship of the Sacrament of Penance (see *Code of Canon Law*, canons 983 and 984), or the privilege of confidential communication made to a priest in confession "or a confidence made to him in his professional character as spiritual advisor." (See N.C.G.S. § 8-53.2).
- 6.9 Persons who report alleged incidents pursuant to this policy, and those who cooperate with investigations of such reports, shall be entitled to the protections of the "whistleblower" protections set forth in this policy.
- 6.10 All mandatory reporting requirements defined above also apply to vulnerable adults.

7.0 INITIAL REVIEW OF ALLEGATIONS OF SEXUAL ABUSE OR MISCONDUCT; ADMINISTRATIVE LEAVE

- 7.1. After receiving a report of child sexual abuse, sexual abuse, or sexual misconduct, an inquiry shall be immediately undertaken by the Director of Human Resources or the Vicar General, or their delegate. This initial evaluation shall not delay the reporting of an incident of child sexual abuse or any other criminal activity to law enforcement.
- 7.2. Following the inquiry, if the allegation at least seems it could be true, the accused person shall be relieved from ministry, volunteer service and/or employment in the Diocese, if applicable, and placed on administrative leave pending the outcome of the internal or outside investigation.
- 7.3. If the accused, who is placed on administrative leave, is a member of the clergy, and assigned to public ministry, the impacted community will be informed about the reason for his absence at the discretion of the Bishop of the Diocese of Charlotte in accordance with Canon 220 and *Vademecum on Certain Points of Procedure in Treating Cases of Sexual Abuse of Minors Committed by Clerics*.
- 7.4. If the accused is a member of a Religious Order, the major superior shall be notified of the allegation, and the subsequent procedure will be coordinated with him.

8.0 INTERNAL INVESTIGATION OF ALLEGATIONS

- a. the right to be informed that a report has been made, provided that such notice does not interfere with any investigation being conducted by civil authorities;

 - c. the right to be presumed innocent until the allegation is resolved through a canonical and/or civil process;
 - d. the right to appeal within the diocese and the Holy See a determination that the accused person committed an act of child sexual abuse or sexual misconduct, in accord with the norm of canon law;
 - e. the duty not to contact the complainant while the investigation is pending;
 - f. the duty not to encourage, request, aid or approve any other person making contact with the complainant or any other person who is providing information to the investigation with the intent to influence their cooperation with the investigation; and
 - g. the duty not to engage in, encourage, request, aid or approve any action that is intended to have a detrimental effect on the reputation of the complainant, or of any other person who is providing information or cooperating with the investigation.
- 8.5 Medical, psychological and spiritual assistance and, in appropriate instances, economic assistance may be offered by the diocese to any alleged victim who requests it, in the spirit of Christian charity and even justice.
- 8.6 Any media contact or inquiries regarding a report of child sexual abuse must be directed to the director of the Office of Communications.

9.0 RESOLUTION OF ALLEGATIONS

- 9.1 In instances where the Lay Review Board conducts an investigation according to its policy, at the completion of its investigation, the Lay Review Board shall determine whether or not there is reasonable belief of the allegation and shall provide their conclusions and recommendations to the Bishop of the Diocese of Charlotte.
- 9.2 A person shall be regarded to have committed an act of child sexual abuse or sexual misconduct if:
- a. The truth of the allegation is manifestly evident; clearly and unmistakably apparent or obvious, or easily perceived or understood without the need for elaborate explanation or analysis; or
 - b. If the accused person admits to, is found responsible for, or declines to contest an allegation of child sexual abuse brought in any civil, criminal or administrative court, canonical judicial or extrajudicial process, tribunal or agency, including the Diocese's Lay Review Board. Any clergy member or lay person who the Lay Review Board determines that there is reasonable belief to the allegation of child sexual abuse or sexual misconduct through its process may appeal that finding to the ordinary.
- 9.3 If an allegation is found to have been false or without reasonable belief, the accused person shall be eligible to return to employment or service, subject to any reasonable conditions as merited under the circumstances.
- 9.4 If an allegation has become a matter of public knowledge but is determined to have been false or not credible, the diocese will take appropriate corrective action to address any harm to the accused person's reputation.

11.0 WHISTLEBLOWER POLICY

- 11.1 The Diocese expressly prohibits any form of retaliation including harassment, intimidation or adverse employment actions against personnel who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of diocesan policies, including reports or complaints of ministry-related sexual misconduct.
